Value of Sponsorship Dollars

As a corporate sponsor of the Chicago Chapter of IFMA, your support allows for members to receive educational opportunities and provide community support. Furthermore, these programs provide your company with valuable visibility as a supporter of a professional organization. It can help you reach your target audience and provide two-way marketing opportunities. With nearly 350 professional and associate members, the Chicago Chapter is the best way to gain access and network with those that earn their living in the facilities profession.

The opportunities outlined in this booklet offer you the chance to promote your organization and help sponsor IFMA activities. The partnership program will run from July 1st, 2018 - June 30th, 2019.

IFMA members have traditionally demonstrated a strong loyalty to those who help fund and support their chapter. Here is one opportunity to earn that support.

Do you have questions on any of the opportunities detailed in this booklet?
