What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues? I have a hard time delegating, tend to want to control. Yes, recent new hire to delegate more of my work.

What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today? Starting this company 5 years ago was one of the most important steps in my life next to getting married 5 years ago also!

Many people who work within the FM world have to act as ‘leaders’ in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader? I project managed the Navistar World HQ relocation which included over 1M sq ft. and over 4000 workstations.
