10) Favorite Sport and Team: My loveable but not-so-good beach volleyball team.

11) What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues? I just transitioned my career from architecture and design into sales. It has been a great challenge!

12) What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today? See Above!

13) Many people who work within the FM world have to act as “leaders” in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader? The ability to listen, evaluate and act (preferably in that order) is a leadership skill I admire. In my new sales role, I am learning that I have to do that every day!

14) A year from now, what will you have hoped to accomplish, professionally or personally? Develop a strong network in my new role, increase visibility of Kayhan in the Facilities community and swim a mile without stopping (too much).
