11) What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues? Trying to continually multitask effectively!
12) What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today? Going back to school later in life, had a huge springboard effect on my career.
13) Many people who work within the FM world have to act as "leaders" in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader? I have been involved in public sector emergency management for over 20+ years and have taken all of those experiences as true learning building blocks. This has had allowed me to develop some really strong leadership skills.
14) A year from now, what will you have hoped to accomplish, professionally or personally? I would like to continue to excel within this organization and provide a mentorship to those coming up through the ranks!
