What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues?
Customer Feedback.....I have implemented more approaches for communication

What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today?
Networking and Being Adaptable to Change

Many people who work within the FM world have to act as 'leaders' in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader?
I think I make a leader because I am personable and view the big picture

A year from now, what will you have hoped to accomplish, professionally or personally?
To continue my growth in the business and lay out next set of goals
