Aspire is recognized as a leader in providing bold, pioneering and uncompromising services to 1,000 kids and adults with developmental disabilities, their families and the Chicagoland community each year through four enterprises.

**Aspire Kids** provides therapies for kids, as well as family support, and has become a key consultant to schools that want to create inclusive classrooms.

**Aspire Living** offers community living opportunities and skill building for adults, helping to achieve independence.

**Aspire Careers** offers job training and job placement for adults and young adults and works with businesses to create inclusive workplaces.

**Aspire CoffeeWorks** is a social enterprise coffee company that, in partnership with Metropolis Coffee Company, employs adults with disabilities. Sold online and brewed in dozens of office buildings in Chicago, 100% of Aspire CoffeeWorks proceeds go back to Aspire!
