What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues? Going through a recent acquisition.

What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today? Family & School

Many people who work within the FM world have to act as ‘leaders’ in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader? Integrity and the ability to uplift people to reach their goals.

A year from now, what will you have hoped to accomplish, professionally or personally? To get my Phd
