What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues?  Sourcing quality labor

What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today?  Surrounding myself with positive people

Many people who work within the FM world have to act as ‘leaders’ in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader?  A good leader leads by example

A year from now, what will you have hoped to accomplish, professionally or personally?  Understanding the needs of a FM
