What has been the most challenging part of your job recently? And, have you made any changes to try and solve some of those issues? Reducing costs globally. Reducing scopes of work, renegotiating contracts, implementing best practices.

What have been the most important steps in your life (schools, jobs, etc.) that have led you to where you are today? B.S and MBA from Purdue.

Many people who work within the FM world have to act as ‘leaders’ in their jobs. What do you think makes a good leader, and have you done anything recently that has made you a leader? Must lead by example, and constantly develop your skills.

A year from now, what will you have hoped to accomplish, professionally or personally? Improve processes to provide better clarity and transparency.
